MAXIMUM YIELD

Golden Harvest Plus™ is a unique liquid fertilizer (5-18-2) with high levels of micronutrients (B, Co, Cu, Mn, Mo, Zn) designed to supplement soil-applied fertilizer for prevention of nutrient deficiencies. It has a pH of 1 to 1.5.

PRODUCT BENEFITS

- Delivers soluble formulation of N, P, and K
- Prevents micronutrient deficiencies
- Supplements soil applied fertilizers
- Healthier and more robust plant growth
- Improved yield

ACTIVE INGREDIENTS

Total Nitrogen (N) 5.0%

5% Urea Nitrogen

Available Phosphate (P₂O₅) 18.0%

Soluble Potash (K₂O) 2.0%

Boron (B) 0.1%

Cobalt (Co) 0.02%

Copper (Cu) 0.1%

0.1% water soluble Copper (Cu)

Manganese (Mn) 0.4%

0.4% water soluble Manganese (Mn)

Molybdenum (Mo) 0.05%

Zinc (Zn) 0.6%

0.6% water soluble Zinc (Zn)

RECOMMENDED FIELD APPLICATIONS

Golden Harvest Plus is designed to supplement a soil fertilizer program, not replace it. Frequent use of this product will ensure adequate nutrition for crops. See the label for more information about specific crops, rates and timing.
