**+50.94  
POUNDS  
PER  
ACRE**

NOTES:

Products may not be registered in all states. Please contact your Stoller Representative, visit our website, or contact your state's agricultural regulatory agency for registration status. Always read and follow label directions. Conduct a "Jar Test" using all products in proper proportion in order to establish physical compatibility. Many factors contribute to crop performance and return on investment. Results not guaranteed.
