WARNING

KEEP OUT OF REACH OF CHILDREN; MAY BE HARMFUL IF SWALLOWED, INHALED OR IN CONTACT WITH SKIN; MAY CAUSE EYE IRRITATION. MAY CAUSE DAMAGE THROUGH PROLONGED EXPOSURE.

PRECAUTIONS:

Do not breathe dust/fume/gas/mist/vapors/spray. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Use only outdoors or in well-ventilated area. Avoid unauthorized release to environment. Wear protective gloves/protective clothing/eye protection/face protection. Keep container tightly closed. Keep cool and protected from sunlight.

If medical advice is needed, have product container or label at hand. For more details regarding the safe use/handling, storage and disposal of this product as well as additional hazards and first aid measures, please refer to the current Safety Data Sheet. FOR CHEMICAL EMERGENCY: Spill, leak, fire, exposure or accident, call CHEMTREC at 1-800-424-9300.

STORAGE AND DISPOSAL

We recommend storing pails a maximum of three pails high. Do not stack pallets. Store container tightly closed in a cool and well-ventilated dry place protected from sunlight above 40°F. Do not allow container to freeze. Store locked up. DISPOSE of contents/container at a permitted facility or as advised by your local regulatory authority. Do not contaminate water, food or feed by storage or disposal. Do not apply directly to areas where surface water is present, or to intertidal areas below the mean high-water mark. Do not contaminate water when disposing of equipment wash water. Do not reuse empty container.

CAUTION: This product contains molybdenum. The application of fertilizers with molybdenum may result in forage crops containing levels of molybdenum, which are toxic to ruminant animals.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.gapfco.org/metals.html>.

Always read and follow label instructions.

GENERAL INFORMATION

MITIGA™ is a convenient, plant-available source of the essential nutrients cobalt and molybdenum. **MITIGA™** is formulated to be applied as a seed treatment, applied along with liquid fertilizer solutions, impregnated onto dry fertilizer, or applied with pesticide spray solutions and is non-phytotoxic when used as directed.

DIRECTIONS FOR USE

MITIGA™ can be applied as a seed treatment, in-furrow, transplant water or drench, as a side-dress or foliar application, and through flood, drip sprinkler, overhead, pivot and micro irrigation systems. Apply the recommended amount in a volume sufficient to provide uniform coverage. **MITIGA™** is safe to apply as a seed treatment with inoculant at planting.

FOR SEED TREATMENT APPLICATION: Apply 1 to 4 fl oz per 100 lb of seed. **MITIGA™** is safe to apply with seed treatment inoculants at recommended rates.

*Do not use treated seed for food, feed, or oil purposes. Label treated seed in accordance with the requirements of the Federal Seed Act and applicable state and local laws. Use an approved dye to distinguish treated seed and prevent inadvertent use for food, feed or oil purposes.

FOR IN-FURROW APPLICATION: Apply in-furrow or banded alongside the furrow, at 4 to 8 fl oz either with or without starter fertilizer solutions.

FOR FERTILIZER IMPREGNATION: Apply 2 to 6 fl oz per 100 lb of fertilizer. Incorporate into liquid fertilizer solutions or impregnation onto dry fertilizer are both acceptable methods of application.

FOR SOIL APPLICATION: Apply 4 to 16 fl oz per acre via fertigation through all fertigation methods, drip, flood, pivot, or sprinkler irrigation. Repeat every 7 to 21 days as needed.

FOR FOLIAR APPLICATION: Apply 4 to 16 fl oz per acre for field and vegetable crops, and for fruit, and nut crops, apply 8 to 16 fl oz per acre, in a volume sufficient to provide uniform coverage. Repeat every 7 to 21 days as needed.

Use **MITIGA™** at the recommended rates on the following crops:

TREE NUT AND TREE FRUIT CROPS: Almond, apple, avocado, banana, cashew, cherry, prune, chestnut, citrus crops (grapefruit, lemon, lime, orange, tangelo, tangerine, etc.), fig, hazelnut, macadamia, mango, olive, palm (date), peach, nectarine, pecan, pistachio, pomegranate, quince, and walnut

FRUIT AND VEGETABLE CROPS: Artichoke (globe), asparagus, berries (blackberry, boysenberry, dewberry, loganberry, blueberry, gooseberry, huckleberry, raspberry, currants, etc.), carrot, celery, cruciferous crops (broccoli, brussels sprout, cabbage, cauliflower, collards, kale, mustard greens, rutabagas, turnips, etc.), cucurbits (cantaloupe, cucumber, honeydew, melon, muskmelon, pumpkin, squash, watermelon, etc.), eggplant, flax, grapes (wine grape, table grape, etc.), lettuce (head and leaf), okra, onions (garlic, dry onion, dry shallot), parsley, pea, peppermint, pepper, pineapple, spearmint, spinach, strawberry, and tomato

ROW CROPS: Alfalfa, barley, bean crops (dry, colored, green, snap, lima, lentils, etc.), beets (sugar beet, table beet, etc.), canola, clover, corn, cotton, forage grasses, hop, oat, peanut, potato, rice, rye, sorghum, soybean, sugarcane, sunflower, sweet potato, tobacco, and wheat

MIXING INSTRUCTIONS: Follow this mixing order - (1) Water (2) **MITIGA™** (3) Pesticide/Fertilizer. **MITIGA™** will disperse in water with little agitation. **MITIGA™** is compatible with most fertilizers and pesticides. Always conduct a jar test when using new or untried combinations.

CONDITIONS OF SALE: 1. Stoller USA ("Seller") warrants that this product conforms to the ingredients specified and is reasonably fit for the purpose stated on this label when used in strict accordance with label directions. SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY. 2. It is impossible to eliminate all risks associated with use of this product. Matters of time, rate of application, storage and other conditions might affect product performance beyond Seller's control. All such risks shall be assumed by buyer. 3. To the extent permitted by law, the exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability, or other legal theories), shall be limited to, at Seller's election, one of the following: (a) refund of purchase price paid by buyer or user for product bought, or (b) replacement of amount of product used. To the extent permitted by law, Seller shall not be liable for losses or damages resulting from handling or use of this product unless Seller is promptly notified of such loss or damage in writing. In no case shall Seller be liable for consequential or incidental damages or losses.

Always read and follow label instructions.
