

X-Cyte™ provides cytokinin which is crucial for vegetative growth, reproductive development, and abiotic stress mitigation. It is the market leader in consistency and performance, limiting yield loss due to cytokinin deficiency. X-Cyte is an EPA-registered plant growth regulator and yield stimulant.

PRODUCT FEATURES/BENEFITS

X-Cyte is an EPA-registered plant growth regulator and yield stimulant. Talk to your Stoller representative and learn how you can achieve the following yield enhancing characteristics in your fields.

Manages heat stress in all crops.

CORN

Increases pollen production and fertility
Increases kernel weight and grain density
Reduces kernel abortion

SOYBEAN

Improves branching
Increases seed size and weight
Reduces pod loss

WHEAT AND SMALL GRAINS

Increases grains per head
Increases stalk strength

COTTON

Reduces boll loss

FRUITS AND VEGETABLES

Promotes better fruit development

ACTIVE INGREDIENTS

Cytokinin (as kinetin) 0.04%

Guaranteed Analysis

Stoller products are designed to help plants function more efficiently. Stoller products are not replacements for sound agronomy and fertility programs. They work in concert with good farming practices to help the plant realize its true yield potential.

RECOMMENDED FIELD APPLICATIONS

X-Cyte is formulated for the following highlighted applications.

Soil

Foliar

Irrigation

CONTAINER SIZE

2 x 2.5 gallon container
275-gallon mini bulk

NOTICE

See label for more information about specific crops, rates, and timing. Always read and follow label directions. Check with your Stoller representative for additional information. Products may not be registered in all states. Please contact your Stoller Representative, visit our website, or contact your state's agricultural regulatory agency for registration status. Always read and follow the label directions. Conduct a "jar test" using all products in proper proportion in order to establish physical compatibility. Many factors contribute to crop performance and return on investment. The information contained herein is true and accurate to the best of our knowledge and belief, but is presented without guarantee since field conditions and use are beyond our control. Neither the manufacturer nor the seller make any warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use of this material when such use is contrary to label instruction.
